

Announcement from Tucker Omohundro

Description

Many of us have serious concerns regarding the actions of HSVPOA.

As previously stated, we have retained legal counsel to investigate the viability of taking legal action against HSVPOA Board of Directors, management and the Architectural Control Committee. People in these positions need to understand the personal liability of their actions. We have hired Legacy Law Group to conduct this research.

The Go Fund Me funds collected by Karen Daigle Lundberg will be applied towards this study. The rest of the cost of the investigation will be covered by myself and a small group of property owners. At this point in time, we are not asking for further donations.

Presently, we are not at liberty to discuss the details of Legacy's inquiry.

I would like to thank Karen for her help in raising these funds and to all donors for their generosity and support.
