Description

The following email from the Hot Springs Village Property Owners was shared with Property Owners on January 22, 2021:

“At their January 20 meeting, the Board members received a “behind the scenes” look, from Coreena Fetterhoff, POA Controller, at what the POA staff has been doing to make your Village stronger and the staff more efficient. We believe the entire Village should have the opportunity to share this interesting view of what has gone on “behind the scenes” at the POA over the past several months. Click” the pdf below “to see how hard your POA staff is working on your behalf!”
