Director Campagna Resigns

In a Hot Springs Village Property Owners Association Board of Directors Executive Meeting on May 6, 2020, Director Nancy Luehring was removed from her position for cause. As this action transpired in an Executive Session, HSV People is not aware of the specific reason(s) for removal. According to the Village Voice, Luehring says she had previously been told to resign.

In another unexpected move, Director Tormey Campagna resigned.

Luehring has been under criticism from some community members as some felt she did not live up to her campaign promises she made more than two years ago. More recently, Campagna was also under close community scrutiny since shortly after he began his term on the board. Some community members felt he also did not live up to his [campaign promises](#).
