Hi! We are having a FULL Harvest Moon Floatilla. For Coronado residents who don't live on the lake, and would like to participate, we will also be celebrating with a Weenie Roast, Bonfire, and Music Jam at the Coronado Boat Ramp. (Safe social distancing will be practiced.)

We will have glorious autumn weather. Please click the link for the poll below to let us know if you are interested (yes or no) and what your preferences are.

We look forward to welcoming new residents and re-connecting with the “old-timers.” There’s also a space at the bottom of the poll for comments. Please complete the poll ASAP so we can get an idea of what direction to plan – AND – even if you can’t come, be sure to let us know your interest for future events and how to contact you. Hope to see you there!
