

## Hot Springs Village Numbers on Virus, Crime are Welcome News

### Description

#### **State shows no active virus cases in the Village; 2019 crime numbers reflect a very safe community**

For the first time, coronavirus figures for Hot Springs Village have been made available. The state says there have been 39 cases reported in the 71909 zip code, which is mainly the Village. There are an estimated 15,787 living in the zip code, of whom 14,307 (90.6 percent) are in the Village.

In an update today, the state showed no active cases in the Village.

Also today, the state released 2019 crime statistics for communities and counties.

Both sets of numbers should make Village residents feel quite safe.
