

HSV Hopeful Beginnings – New Website

Description

By Cheryl Dowden, June 21, 2020

With the election of a new Board and the rescission of the Comprehensive Master Plan and reverting from the restrictive and tyrannical 119-page Protective Covenants to a more manageable 3-page Protective Covenants, Hot Springs Village has entered an era of Hopeful New Beginnings.

It will not be easy or fast, but we truly believe we can turn this ship around and foresee a much more hopeful and prosperous future for our Village. We have a great Board of Directors, POA staff, and community members.

Having said that, Hot Springs Village People feels it is time to have new beginnings so we are moving to a forum-type website, as opposed to a blog-only-type website. The name of the new website is Hotspringsvillage.community.

There will be a small learning curve, but we hope everyone will be patient and give the new venue a chance. This will take a while to build up, but we are very hopeful.

You will need to register in order to comment on the blog and the discussions. The blog articles may be read without registering. There is a double opt-in system in place, so if you don't find your registration confirmation in your regular email, be sure to check your spam. We encourage registration so you may participate fully. We want to hear what you have to say.

You may also participate in the forums. You must join all the forums separately to participate. If you have suggestions on subjects for forums, please let us know.

Currently, there are three private forums in which you must be admitted entrance:

1. Hot Springs Village Property Owners
2. National Issues
3. Regional Issues

Currently, there are six public forums:

1. Funny Bones
2. Golf
3. Announcements
4. General Discussions
5. Recommendations
6. Recipes and Food

This may all feel a little unsettling at first because the new website is different than this one, but together we can work through any of the problems. So go ahead and let us know if you have any difficulties and we will gladly assist if you have any trouble navigating the new site. The best way to contact me is via email at pennywisebuys@gmail.com .

You all mean so much to us and we are very excited about this new journey in our Village lives.
