### Description

The HSVPOA sent out the following announcement regarding the icy weather preparation for February 23, 2022:

Winter weather with freezing rain is expected in Hot Springs Village today. For current weather conditions, [click here](#). **We urge you to stay home and off our roadways to allow essential and emergency vehicles to move about the Village.**

### DRIVING ADVISORY

The Public Services Department encourages everyone to stay off the roads during wintry weather. Please do not risk driving. We need our roads kept clear for emergency vehicles. Road crews will be spreading sand in areas that are prone to freeze. Please do not drive on any roads that are not safe, if you have to drive, please use caution. Road closings and other important information will be posted on our [Active Advisories page](#) and will be shared with radio station [KVRE 92.9 FM](#).

If you **must** visit any facility or business inside Hot Springs Village, please call ahead to be sure that the facility is open.

## **WARMING CENTERS**

If you lose power at your home, and you have no neighbors with power on who can accommodate you during a power outage, you may go to one of our four fire stations. If you need transportation to a fire station or other warming center, call the non-emergency police numbers listed above.
