

## HSV Lake Desoto Live Web Camera

### Description

#### Announcing DD Village Live Lake Camera

Diana and Dennis Simpson welcome you to visit and see our live lake cam 24 hours a day.

The camera is located on the south side of Lake Desoto about midway down the lake.

Many resort areas host cameras like this to show visitors what the weather and conditions are before their arrival... or just for daydreaming about a great memory or an upcoming visit to our paradise.

Generally, over 900 people per month tune in to see what the view is today (and how quickly Lake Desoto is filling up).
