### Description

#### **Melinda's Coffee Corner and Cafe now offers a drive thru; Scrumptious gourmet waffles coming next week**

Melinda's Coffee Corner and Cafe is pleased to announce some exciting good news! For your convenience, they now have a drive-thru in addition to their eat-in and take-out options. If you prefer, you don't even need to leave your vehicle to enjoy Melinda's mouthwatering repertoire of good eats.

#### **Refreshing Drinks, Tasty Breakfast Offerings, and Delicious Lunch Choices**

At Melinda's, your choices are bountiful starting with a variety of coffee and signature drinks and also frappes and smoothies. Moving on, the breakfast options are delightful including a signature quiche and breakfast panini, to name a couple. Additionally, they offer breakfast tacos. The tacos are a popular choice because Melinda's makes homemade flour tortillas and fresh salsa every morning. For lunch, Melinda's offers a variety of satisfying sandwiches and paninis made with Boar's Head meats and cheeses. Their tasty scratch soups and fresh salads are perfect to round off your meal. Melinda's serves homemade bread, also made fresh every morning.

#### **Friday Evening Takeout Dinners**

On Friday evenings, Melinda has takeout dinners with everything from their signature meatloaf, pulled pork tacos, smoked chicken breast, and homemade lasagna. There will be no Friday night takeout on August 20 and 27. Friday night takeout is scheduled to resume on September 3 with meatloaf featured on the menu. In order to give you an idea, below is a schedule of Melinda's most recent Friday night takeout meals. (Menu to be updated soon.)
