

HSVPeople Sign Raising

Description

Saturday, August 31, 2019, HSVPeople experienced a first with a memorable sign-raising ceremony. The crew consisted of **Rocky Peebles, Mike Fleming, H. David Moore, Dave Sintich, Tom Impellizzeri, Caroll Allison, and Joe Dowden**. On a sunny and warm morning, this industrious group installed a 3' x 8' sign near the Restore Store on Highway 7 outside the Village.

HSVPeople Sign Raising Crew

Rocky Peebles diligently worked with the sign company to help design a striking sign with a yellow background and black and red lettering. The sign reads, “HSVpeople.com” and “Know the Facts”. He also constructed and painted the frame and installed the banner and frame. Rocky was the project developer, manager, and engineer as he guided this project through from start to finish.

Afterward, Dave Sintich went back and installed garland and red, white and blue streamers on the sign for some extra oomph!

We would like to thank everyone that came out and helped with this project with special recognition given to Rocky who donated the use of his land and materials and so much more.

Hot Springs Village People, making things happen in the Village, one event at a time. Y'all are fantastic!
