

HSVPOA – Additional Details on Transition to Side-Load Sanitation Trucks

Description

On February 3, 2021, the Hot Springs Village Property Owners' Association Board of Directors was presented with a memo discussing the transition to side-load sanitation trucks. At a regular Board Meeting, on February 17, 2021, the Board voted to adopt the new side-load sanitation system. On March 3, 2021, Controller and Board Treasurer, Coreena Fetterhoff, provided the Board with an update on the progress with the sanitation transition and "reinforce the need which became more apparent during the recent snowstorm."

As there are still many questions regarding the Board and Staff's decision to transition to the side-load sanitation system. We decided it might be helpful to publish the following three documents.
