

HSVPOA Board Passes Motion to Allow Tubing on Lake Granada

Description

Lake Granada Rule Change to Allow Tubing Passes Unanimously

At the June 16, 2021 Board Meeting the Directors unanimously passed a motion to allow tubing on Lake Granada. Originally this motion was for Lakes Granada **and** Pineda but Lake Pineda was removed from the motion. The motion below does not reflect this change. Director Gary Belair put forth the motion with Vice-Chair Tucker Omohundro offering the second.

The Granada shoreliners said that pulling a tube in the center of the lake would not affect them negatively, as long as the speed limit remained the same.
