

HSVPOA BOARD OF DIRECTORS

HSVPOA BOD 2020 Election Results

Description

The much-anticipated Hot Springs Village Property Owners' Association Board of Director Election Counting Day finally arrived!

Due to [COVID-19](#) concerns, there were special rules put into place by the Hot Springs Village Property Owners' Association in order to provide the counters and staff the highest level of safety possible. The vote count was moved to the Coronado Community Center's main auditorium so there would be plenty of room between the election counters.

Before entering the building, all counters were given a written health evaluation by the Hot Springs Village Fire Department and their body temperatures were taken. Only after passing the evaluation were the vote counters permitted to enter the counting room.

Gloves, masks and sanitizer were provided to keep all vote counters safe.

There were reports of some counters dropping out of the counting procedure due to COVID-19 concerns.

An unnamed source said there were twenty-two counters at eleven tables, but this information has not been verified. Some tables had an extra person performing in the role of observer. Some did not.

According to an unnamed source, information from the United States Post Office verified that the total number of envelopes returned was 8,472. Three hundred and thirty were returned undelivered to the Property Owners' Association.

Drum roll....the winners of the HSVPOA 2020 Board election are:
