

HSVPOA BOD Discussion Session to be held on 5-13-20

Description

By Joe Dowden, May 12, 2020

On Wednesday, May 13, 2020, at 2:00 p.m., the HSVPOA Board will hold its second discussion session. Due to COVID-19 protocols, the meeting will be live-streamed but will not be open to in-person attendance by the public.

All topics at the discussion sessions are for discussion only and will not be voted on during these sessions. The discussion sessions are being held for the purpose of discussing items that will come before the Board at the next Regular Monthly Board Meeting and for answering questions from the community on these particular topics. Questions from the community may be submitted to boardmembers@hsvpoa.org. Off-topic questions from the community will not be addressed. Any questions regarding operations should be addressed to the staff.

This month the Regular Board Meeting is being held on Wednesday, May 20, 2020, at 9:00 a.m.

It appears the Board is taking back their authority from management. They are fulfilling their campaign pledges. Property Owners should be patient as the Board works to untangle the mess created in the last five or six years and also lend their support to this Board as they navigate their way through this process.

Due to time restraints, this article will not be fully developed but serve to provide the following PDFs for information purposes. The Work Session meeting on May 13, 2020, at 2:00 p.m. will be fully reported on.
