HSVPOA Preparations for Tomorrow's Weather – Feb. 3, 2022

Description

POA Preparations for Tomorrow's Weather

Winter weather with freezing rain is expected in Hot Springs Village beginning early Thursday morning, February 3.

We urge you to stay home and off our roadways to allow essential and emergency vehicles to move about the Village.

DRIVING ADVISORY

The Public Services Department encourages everyone to stay off the roads during wintry weather. Please do not risk driving. We need our roads kept clear for emergency vehicles. Road crews will be spreading sand in areas that are prone to freeze. Please do not drive on any roads that are not safe, if you have to drive, please use caution. Road closings and other important information will be posted on our [Active Advisories page](#) and will be shared with radio station [KVRE 92.9 FM](#).

FIRE DEPARTMENT

All fire stations will be staffed and ready to respond to emergencies. If you have a fire emergency, call **911**.

POLICE DEPARTMENT

For non-emergency situations, call the Hot Springs Village Police at **501-922-0011**. If we experience a power outage and our police department's regular phone lines are down, you may call Police Dispatch at this mobile number: **501-209-6000**.

WARMING CENTERS

If you lose power at your home, and you have no neighbors with power on who can accommodate you during a power outage, you may go to one of our four fire stations. If you need transportation to a fire station or other warming center, call the non-emergency police numbers listed above.

WATER EMERGENCIES

If you have a water or sewer emergency, call the Water Treatment Plant at **501-922-1323**.

POWER OUTAGES

Do not call the POA if you lose electricity. Instead, call your electric utility:
