Recently my office was contacted by Stanley Rest who is a recruiter with the 2020 Census Office in Fayetteville. The US Census Office is looking to hire 93 more Census workers in Saline County. This could be a welcome opportunity for many Saline County residents who are currently unemployed as a result of the pandemic. People can apply now although when the actual census taking will begin depends on progress in controlling the COVID-19 virus. Attached [see pdf below] is a press release with a link to apply online and contact information to talk directly with the recruiter, Stanley Rest.

Stay Safe and remember no more than 10, stay 6 feet apart, wear a mask and wash your hands!
