To All Saline County Residents,

"Attached [see below] are the numbers on COVID-19 in Saline County as of last night. We have remained flat over the weekend with still only 32 Confirmed cases as of last night. The number of negative tests did rise by nearly 20. Also attached [see below] is a graph that shows Confirmed and PUI cases trend for Saline County since the County's first confirmed case."

“Yesterday morning and last night Saline County had severe thunderstorms roll through. We did have to call road crews out to clear trees off of several roadways throughout the county. As of this morning, we had no reports of any structural damage. We do have residents without power. The link below shows approximately 1,400 people in Saline County without power.”
