Description

Email from J.P. Keith Keck

Email from Judge Jeff Arey

"To All Saline County Residents:

"Attached are the latest numbers as of last night. The only change in the numbers is the negative tests up 20 from previous day.

"In his press conference yesterday [Governor Hutchinson](#) said, "It's not a time to decrease our intensity on social distancing, on avoiding gatherings of more than 10, and also on wearing face masks when you cannot appropriately social distance." Even though the numbers flat for Saline County and encouraging for Arkansas I would urge you to stay the course for now.

"Stay Safe, and remember no more than 10, stay 6 feet apart, wear a mask and wash your hands!"
