Today, I along with Benton Mayor, Tom Farmer and Bryant Mayor, Allen Scott met with several

different business owners from across the county. The idea was put together by Gary James and Jason Brown from both Chambers [Chambers of Commerce] in Benton and Bryant and Lamont Cornwell with SCEDC, I appreciate them putting this together.

Last week we meet with different bank presidents from banks in Saline County. The idea is to help us to understand and have a pulse on what is going on with business and employers across the county so we can help if possible and make better decisions going forward.

One common thread among all of those that we have talked to have been each person's positive attitude going forward. That has been inspiring to me!

Stay Safe, and remember no more than 10, stay 6 feet apart, wear a mask and wash your hands!
