PRESS RELEASE – SALINE COUNTY JUDGE JEFF AREY

Limited access to county offices extended

Today, March 29, 2020, [Saline County Judge Jeff Arey](#) extended limited access to the Saline County Courthouse, the Courthouse Complex, and all other County Offices until April 20 with any further action being evaluated at that time.

Saline County has been limiting access to County Offices since March 18 due to the COVID-19 pandemic. Judge Arey stated “[f]or the same reasons Governor Hutchinson closed schools until April 20, we are continuing our cautionary measures (limiting access) in hopes that the citizens of Saline County will conduct business by phone, email, or online. These measures will aid in preventing the virus from spreading.”

Access is limited to County Employees, Court Employees, and Elected Officials having offices in or conducting business in the respective buildings; and those individuals authorized by the respective offices to have access.

Judge Robert Herzfeld makes history and presides over first Zoom hearings

“On Friday, March 27, Saline County Circuit Court 4th Division, held the first teleconference circuit court hearing in Saline County history. [Judge Robert Herzfeld](#) presided over three hearings from his home “court” via the Zoom teleconference application. The attorneys, court reporter and all the parties also participated from their homes and offices through the app, while the 4th division courtroom stood empty. This was the first of many circuit court hearings and trials that will be handled in the days and weeks ahead using innovative technologies and procedures with an eye towards maximizing the mantra of “stay home when you can” while ensuring that constitutional protections and the rule of law are firmly preserved.

“All of the Circuit and District judges and their staffs have been working together with the prosecutors, public defenders, private attorneys, the circuit and county clerks and many others to carry out the business of justice while ensuring the health and welfare of the public. Emergency cases—with some limited exceptions—will be handled over the Zoom app, while non-emergency cases are being generally scheduled for this summer.

“The judges are currently developing the particular procedures and will be making further announcements within the next several days. Anyone with questions regarding Court proceedings should call the Circuit or District Court in which their court case is assigned or the Circuit Clerk’s Office at 501-303-5615.
