

Saline COVID-19 Update 4-6-20

Description

Saline County COVID-19 Update from Judge Arey

To Saline County Residents,

Attached [below] are the numbers for Saline County as of last night. **Currently there are 29 confirmed cases Saline County that is up 15 from April 1st.** Sadly I did receive a call yesterday morning from the Regional Director for the Department of Health notifying me of Saline County's first resident that has died as a result of COVID-19. She could not give me any details about the individual, but I ask that you add this unknown family to your prayers.

The CDC is now recommending that everyone wear a cloth face cover when they have to go out in public. The cloth face cover is meant to protect other people in case you are infected. Please do not use a facemask meant for a healthcare worker. Continue to keep a distance of 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing. I plan to start wearing a cloth mask today when I'm out in public and at the office and I plan to encourage others to do the same. I'll be honest, it feels awkward or more like weird, but I know that it is necessary.

Please Stay Safe, and remember no more than 10, stay 6 feet apart and wash your hands.

J. P. Keck emphasizes three items

I would like to emphasize three items for Saline County Residents:

- 1) Saline County Judge's Juvenile Stay at Home went into effect today April 6.
- 2) The Governor did restrict short-term rental usage in Arkansas. Please see his Proclamation.
- 3) ADH did emphasize the usage of a mask when you cannot maintain your 6-foot social distance when out in public.

Please stay safe here in the Village.

Keith Keck

Justice of the Peace

Saline County Quorum Court

(Thank you, [Keith Keck](#), Saline County Justice of the Peace, for providing the Saline County COVID-19 update.)

Garland County Information

According to the Arkansas Department of Health COVID-19 Information page on April 6, 2020, there are currently 41 people in Garland County who have tested positive for COVID-19.
