

Welcome to Fat BoyZ Backyards – HSV

Description

Welcome to Fat BoyZ Backyards, your one-stop for all the things you need for your backyard – and your front! We are a local company based in Hot Springs Village that specializes in irrigation sprinkler systems, outdoor lighting, and landscape planning. We also offer leaf removal, power washing, gutter services, and yard debris removal in season.

There's a reason one of our owners is called The Sprinkler Guy! With over 20 years of experience, we can plan and install new sprinklers or maintain your current system, including electronic timers. We can also help you maintain your lake pump. And when the weather turns cold, we'll be there to winterize everything!

We are known in the Village for our lighting design and installation. Outdoor lighting can add just the right ambiance to your property. We can add uplighting to extenuate your home's features and down lighting to provide safety and illumination of driveways and more.

And, if you don't know exactly how you want to improve your outdoor space, we cover that, too. Our team can help you plan and add rock, sod, plants, and trees to your property. We are dedicated to making your outdoor dreams come true. We are experienced and local. And, we truly care about our customers. Email us or text Steve, The Sprinkler Guy, at 501.909.2520 to get your job on the schedule.
