

Who is HSVPOA?

Description

TO THE RESIDENTS AND “MEMBERS” OF HSVPOA

Written by Karen Daigle Lundberg, HSV Property Owner

As Hot Springs Village is wading deeper and deeper into [litigation on different matters](#), both as the Complainant and the Defendant, I have an interesting note for everyone. As you will see on every litigation matter HSV is involved in, whether Complainant or Defendant, the name on the pleading is HSVPOA. And as we have all been told countless times, the Board of Directors nor Lesley Nalley are allowed to discuss with the members of the POA anything about the litigation; that it is confidential.

So I ask you all to ask yourselves these questions:

- 1) WHO is HSVPOA;**
- 2) is HSVPOA strictly our Board of Directors; and**
- 3) is HSVPOA a combination of our Board of Directors and Lesley Nalley?**

The answer to all three of those questions is a resounding **NO**. HSVPOA is each and every member who owns any property in Hot Springs Village. Simply put, WE are all being sued, and WE are all told we can know nothing about it. If someone is suing ME, I have every right in the world to be informed of every single item, pleading, discussion, or any information whatsoever with regard to that litigation. As members of HSVPOA, WE are also being sued, and we are being told that we can know no details about it? Is there anyone out there that agrees that we should be [kept in the dark](#) over what we are being sued on or suing about, and all of the details associated with those suits? I certainly don't.

So, I am going to be filing a Complaint, pro se, in each and every one of the lawsuits that HSVPOA is involved in, stating to the Court that HSVPOA is not being informed of the details and process of the lawsuit, and the fact that WE are HSVPOA, and are entitled to all documents associated in the cases.

I am willing to file these Complaints. I am asking all of you to stand up, rise up, whatever it takes to let

Lesley Nalley and our Board of Directors know loudly that this is a lack of their fiduciary duties, and could quite possibly be illegal. You CANNOT withhold documentation from any person involved in a lawsuit. It is that simple. I am asking for support from the Village in telling our Board and Lesley Nalley this, and I will take care of the necessary legal documents. Neighbors need to support neighbors. We have come a long way in a year, but we still have a long way to go. But this action can be stopped!!

Thank you all for your support.

I GIVE MY PERMISSION TO SHARE THIS POST!!
