Cash & Cash Equivalents	Cash and cash equivalents are going in the wrong direction - offset in P & E					
Administrative Expenses	Reduced revenue stream with rising Administrative costs					
Golf	Note discrepancy in figures for 2016 from different audit reports					
Public Utilities	Revenue increase of \$664, 398 offset with \$547,871 in expenses					
Lakes Management	Decrease in revenues but increase in expenses					
Club Svcs/Food & Beverage	Has never made money and no plan to correct					
Other Expense/Income	Would seem to indicate long-term debt is increasing					
Excess/Deficit	Two-tier created 2016 surge, but progress was squandered in 2017 resulting in more bad debt
