It's Time to Celebrate!

April 20, 2020, marks a Hot Springs Village milestone. On that day in 1970 John Cooper Sr. formally founded the Village so many people call "home." Now it's time to get ready for HSV's 50th birthday.

To mark this important milestone, property owners, nearby communities, local area businesses, elected officials and every club, church and organization inside and outside of the gates are invited to help with the 50th Anniversary celebration.

That party will start in January, with the release of a limited-edition 50th Anniversary Celebration magazine. That magazine will not only look back on 50 years of HSV history, but also preview many of the celebration events throughout 2020.

High on that list of events is HSV's Birthday party on April 20 – where we will honor the Cooper Family, along with the many individuals who have contributed over the years. But there's much more. From April to December, you can look forward to a bundle of celebration activities. A number of those special events will flow out of our 50th Anniversary Celebration Committee or from other committees and groups within the POA. But the rest need to originate from within the community – through the clubs, churches and other organizations who make HSV all that it is.

That's where we need your help – in prompting your group to play an active role in this 50th anniversary celebration. Start by getting those creative juices flowing. Put your members and fellow-Villagers on notice that we are about to have a party. Think about a celebration event you might throw – such as a chili cook-off, a bike-a-thon, a pickleball exhibition game or even a night of open air entertainment at Grove Park. The important thing is to get involved – and to claim your spot on the Hot Springs Village *50th Anniversary Celebration Calendar*.

Have we piqued your interest? Please give any member of our 50th Anniversary Committee a call to exchange ideas and to talk about where we go next.

So dust off your party hats and get involved because 2020 is just around the corner. Find your spot on the calendar and let's make it a year to remember!

If you have any questions, please contact jprice@hsvpoa.org.

Thank you -- From your HSV 50th Anniversary Celebration Committee
