Employee morale is precious! We can't order it or buy it. Morale grows when there is a sense of loyalty from the community. You are a critical part of our effort to grow the Fund, ensuring our POA workers receive a well-deserved gift at the end of the year, in recognition of their service to you. Our HSV Community needs to step up and recognize a donation to the VEBF is the best way to say, "Thank You" to our POA workers.

WHO BENEFITS?

The Hot Springs Village Property Owner's Association employs hundreds of full- and part-time workers to meet the challenges of our community, from water treatment to policing, golf course maintenance to trash collection, and everything in between.

The year-end cash gifts are personally delivered by the VEBF to POA workers at their annual Christmas luncheon. In this way, the VEBF acts as the direct representative of the donors to the workers we want to thank.

Enjoy reading these testimonials from POA workers about the positive effects from your donations.

"I use the gift I receive from the VEBF for a savings fund for college. I am enrolled in the Dental Hygienist program at National Park College. I use my savings fund for tuition, books, and other college expenses. Thank you!"

- Lexann Gower, Golf Dept. Grounds Crew

"I want to thank you for this wonderful gift not only at Christmas but throughout the year. It's a blessing! The gift we receive around the Christmas holiday is an added bonus for us. You will never know how much VEBF is appreciated by our family. Thank you!"

- Missy Weaver, HR Department

If you have never donated to the VEBF before, will you consider becoming a member of the Fund with a donation this year? And if you have donated in the past, your contribution is appreciated! We look forward to your continued support.

WHAT YOUR NEIGHBORS HAVE TO SAY . . .

Every department has proven that we are fortunate to have such loyal and able people here in Hot Springs Village. I wholly recommend all Villagers support our wonderful employees.

E.B. & Wanda Selman

I liked the concept then and I still like it today. So many of the POA employees go way out of their way to do things for the Village residents, and this is a great way for us to tell them thank you. As long as I am alive I will continue to make contributions to this fund, and pray that every household in the village will make a contribution, no matter how small.
