

RANGE RULES

- Follow archery shooting procedures.
- Number of arrows in = number of arrows out.
- Only shoot at designated targets.
- Always be aware of the target and what is beyond the target.
- Always keep bow pointed towards targets.
- Always draw bow with arrow parallel to the ground.
- Only nock arrows at the shooting line.
- Always have an arrow nocked when drawing to eliminate the possibility of a dry fire.
- Do not use broadheads or use crossbows at POA targets. These are only allowed if a member brings his own target and shoots in designated areas set by the POA.
- Anyone 16 and under must be under adult supervision.
- No pets allowed.
- Hours of Operation Sunrise to Sunset.

SHOOTING PROCEDURES

- Verify that the range is clear.
- Give "Range is Hot" or similar command to indicate shooting may commence.
- When finished shooting, set bow down and wait behind the shooting line until all archers are finished shooting.
- Give a "Cease Fire" or similar command to indicate all shooting should stop.
- Verify all equipment is put down and remains behind the shooting line.
- Proceed to the targets to retrieve arrows.

**BOWS MUST BE DRAWN SO ARROWS
ARE PARALLEL TO THE GROUND**
