Do you have an “unloved” kayak,
canoe, or stand up
paddleboard?

Do you want to buy a used kayak, canoe, or stand up
paddleboard?

If the answer to either of these is yes, then this event is for you.

Paddling accessories may also be “swapped.”

Sellers - bring the paddling equipment or accessories you wish to sell to the Lake Coronado boat ramp at 10:45 AM on March 18. It facilitates registration if you fill out and bring the attached registration form, complete with price and equipment specifications, to the event. A \$3 sellers fee will be collected at registration (correct change appreciated). To ensure the best chance for sale, you should stay with your equipment until sold or event ending time.

Fine print: All sales are “as is”.
